# 2014 DUVALL HOLIDAY GIFT GUIDE

## Angie's Custom Framing

Want a great way to surprise the family for Christmas? Get that family heirloom out of the drawer and let me frame it for you. It will be beautiful to admire and will be well protected for future family generations. What about that piece of art that has been stored under the bed for such a long time. What a nice Christmas gift that would make.

For a greener, more sustainable approach to Christmas this year consider buying a living Christmas tree. A living Christmas tree is the gift of an experience that can keep giving long after the last ornament is tucked away. Consider this your chance to be übercool and at the forefront of a greener and wiser way to celebrate the holiday.

If you are interested in a Living Christmas Tree delivered to your home this year contact Kirsten at Gardens ALIVE Design for more information on types, sizes and prices.

Download and print your order form from the Gardens ALIVE Design website at [www.gardensALIVEdesign.com](http://www.gardensALIVEdesign.com) A complimentary Living Christmas Tree care sheet will be included to assist you with proper planting and care instructions.
