LipSense/SeneGence

LipSense is the premier product of SeneGence. It is unlike any other conventional lipstick, stain, or color. It is waterproof, does not kiss-off, smear-off, rub-off or budge-off! Your lips will stay moist and plump with LipSense Moisturizing Gloss throughout the day. It's magic is that it is not a stain - it actually lays a membrane of color over your lips that the gloss seals in and protects. LipSense is Lead Free, Wax Free, Gluten Free, Vegan friendly, never tested on animals, contains NO animal by-products, is made from naturally reoccurring ingredients and is made in the USA. \$55 for the starter kit including color, gloss, and remover! Used daily one tube will last 4-6 months!

Tellus Consulting

Know someone starting a new business? Help the entrepreneur in your family get started on the right foot with a professional computer system and the software they need for success. We've bundled a great laptop for working on the road, plus everything needed for the home office (monitors, printers, and more). Along with hardware, we're including a year of Office 365 from Tellus Consulting, and our partner Sherweb, which includes desktop versions of all the top MS Office software, plus OneDrive for Business, Skype for Business, and LOTS more. We'll also get them setup with their own cloud-based business phone number. They don't have a domain registered for their business? We've got them covered there, too. Plus, we are including plenty of consulting time to get them up and running with all the new tools at their disposal. We'll bring everything to your door here in Duvall or ship anywhere in the country. The bundle described is \$1850 or we can create a custom one just for you. For details, go to the Tellus Consulting website at: <http://tellus-consulting.com/startup-business-bundle>.
